## Klondike!

*Klondike Derby for 2025 went amazing. Based on troops responses we will definitely be having more units come next year. Our top events were the sled race, tug a war, and the obstacle courses. Thank you all the units that came. And a big shout out to the staff. Without all of your support this event would not have been the same.*

*The banquet was a huge hit! It celebrated the highlights of the 2024 lodge year (January to July), showcasing awards, events, and achievements that made the year so memorable. We also welcomed our 2025 Section Chief, Finn Diringler and Section Secretary, Anastasia Carroll. Our youth chair, Aidan Gin, and Adviser, Mr. Truex did an outstanding job planning a spectacular event.*

## Introducing Spring Ordeal

*YOU! Yes, you! You should go to the 2025 Spring Ordeal Weekend at Yerba Buena Lodge. The Ordeal weekend will take place in the Wente Scout Reservation from March 28 to March 30. I need everyone's help to work as Elangomats as well as ceremonialists and trading post staff. I look forward to hopefully seeing all of you there to help our candidates join our lodge and give them a good experience. Wente is a favorite scout camp for many, so why not join us and provide cheerful service to the camp and our candidates*
